

Jute ... Dundee's history of weaving fabrics started in the 1600s, so perhaps it's not surprising that two hundred years later, the Empire brought jute to Dundee. Today the romance continues through McGregor Balfour, a name synonymous with the "golden fibre" for over 100 years.

Our design skills and close co-operation with producers in India and Bangladesh ensure that the highest quality raw materials are blended to produce the range of fine fabrics you will see in this brochure.

Biodegradable, environmentally friendly and recyclable are all words closely associated with jute. A natural fibre, jute contributes to a greener future.

The Jute Co, a division of McGregor Balfour (Textiles) Ltd evolved earlier this year and is now a brand in its own right. The Jute Co is a supplier of many products, one being promotional products with personalised logo if required. In the following pages you will see a small selection of our products which are available in different colours and designs. Our range is expanding rapidly.

J. Co is also a branch of McGregor Balfour (Textiles) Ltd and supplies fashion accessories. We have an ever increasing variety of shopping, casual and evening bags. J. Co's range of jute jewellery for all age groups comes in many vibrant colours and designs. We have a selection of top quality softened jute products which include bags, backpacks, brief cases and wallets.

The Jute Co, J and J.Co are all trade mark names of McGregor Balfour (Textiles) Ltd.
